EASTER STORY TIME & EASTER EGG-STRAVAGANZA FUN!

Those beaming smiles from children in the photos tell the whole story of how special these moments were to them! These Children went home after a fun day with baskets full of eggs, candy and with huge smiles on their faces. It was a great way to kick off Easter and this amazing season in which we remember the sacrifice Jesus made, showing just how much He loves us.

Congratulations to our Easter egg Competition winners!

Thank you for your support & donations. Boxes were filled with treats for the children.

**TOGETHER WE CAN
DO SO MUCH MORE.**

On behalf of Haynes library, we express our heartfelt thanks to FTX Digital Markets ("FTX"), for their generous donation. Your support helps us to reach our goal.

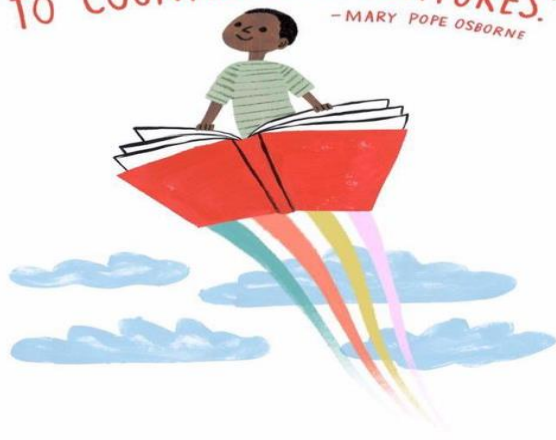

Thanks again for your generosity and support.

**HELP US INSPIRE
MORE MINDS,
CREATE MORE STORIES,
AND TRANSFORM
MORE LIVES!**

Your support is an investment in literacy, lifelong learning, and community engagement. As a library, government funding pays only a portion of the library's services. That's where you come in. Your generosity to the library, helps enhance our materials, programs, story times, and other valued services. Your giving strengthens our community. Thank you!

“READING IS A PASSPORT
TO COUNTLESS ADVENTURES.”
—MARY POPE OSBORNE

Haynes Library plays a vital role in our community. We encourage and promote the process of learning. The bookworms can get loads of books to read to enhance their knowledge. Moreover, the variety is so wide-ranging that one mostly gets what they are looking for.

When we read more, our social skills and academic performance improves.

In addition, we offer computer and Internet access to children (free) and adults, a variety of programs, and community outreach. Haynes Library is a blessing!

THE ISLAND SCHOOL VISIT TO
THE HAYNES LIBRARY

Work begins on library renovation project.

Good news!

The library isn't just a quiet place for finding and reading books and periodicals.

At the Haynes Public Library, the staff is ready to make some noise and let people know about their renovation project that includes: interior painting, reconstruction of gazebo (paint & re-roof) and floor vanishing. More major improvement construction projects are schedule possibly for this summer 2022.

During that project, there were times when the library was closed.

I pray you and your families come and enjoy the library as we continue to build a better community.
